

Foreign Degree Evaluation

If you have received a degree from a college or university outside the United States, you will need to have your degree evaluated by a professional organization that is a member of the National Association of Credential Evaluation Services. Please see the list of authorized foreign degree evaluation services below and select one to review your credentials.

The National Association of Credential Evaluation Services (NACES) is not affiliated with the San Diego Community College District. However, they provide reasonably-priced and thorough evaluations with quick turn-around time.
